DONOR SPOTLIGHT: MELISSA AND JOHN CERIALE

Melissa and John Ceriale

GLAZER HALL's mission is strengthened when members of the community come together to celebrate the arts and the transformative power of live performance. We thank Melissa and John Ceriale for honoring that spirit through their generous naming of the Women's Lobby Lounge, a space designed for comfort, community, and connection.

"Melissa and John have been true champions for GLAZER HALL from the beginning. They have been generous with their time and knowledge, and we have been so grateful for their advice and friendship throughout it all. We are thrilled that the Women's Lobby Lounge will carry their name." – *Jill Glazer*

Melissa's career reflects a deep commitment to strengthening communities and enhancing the environments where people come together. From her leadership role as Chair of Palm Beach's Shore Protection Board to her decades of impact as a trustee for the Montefiore Health System and the Albert Einstein College of Medicine, she has continuously supported the health and well-being of communities across the country.

John has long shaped the standard of excellence in global hospitality as President of Prospect Hotel Advisors, guiding landmark hotel investments across the globe. His belief in the transformative power of thoughtful design aligns with the ambition behind GLAZER HALL, preserving a cultural landmark's storied history while redefining what a modern performing arts venue can be for the Palm Beach community.

"We are proud to be playing a small part with the Glazers to bring our Playhouse back to life. Thank you, Jill and Avie, for giving Palm Beach not only a world-class destination for arts and culture, but for doing it on the waterfront, making it truly unique. Together, we look forward to years of remarkable performances, unforgettable community moments, and enriching experiences—curated and once-in-a-lifetime events that will create lasting memories for generations to come. The dedication and vision behind GLAZER HALL set a new standard for cultural excellence, and we are honored to share this journey with you and all who call Palm Beach home." – *Melissa and John Ceriale*

John and Melissa have raised their family with a shared commitment to service and generosity. Their support helps advance GLAZER HALL's mission: to deepen human connection through extraordinary artistic experiences accessible to audiences of all ages. Through their involvement, GLAZER HALL will continue to inspire, educate, and unite people throughout our community, ensuring a vibrant future for the arts in Palm Beach.
