SPONSOR SPOTLIGHT:

Gunster, Florida's business law firm, and GLAZER HALL share the shores of Palm Beach as their stage. Today they proudly announce their continued partnership in the preservation and revitalization of one of the Town's most important historic buildings.

Established in 1925 as a small law firm in Downtown West Palm Beach, **Gunster** has always believed in Florida, and Gunster attorneys have provided legal counsel to Town residents and business owners since Palm Beach's Gilded Age. Now, one hundred years later, Gunster has expanded and evolved to become one of Florida's largest and most forward-thinking law firms, while never forgetting its local roots.

Gunster's evolution mirrors that of **GLAZER HALL** in its belief that institutions are measured not only by their successes but by their contributions to the community around them. As Gunster commemorates its Centennial year, it has met its annual goal of providing more than 1,925 hours of local community service. Gunster is also proud to have played a role in the reopening of the historic playhouse orchestrated by Jill and Avie Glazer, in partnership with WS Development, as both a donor and as land use counsel. Together, Gunster and its clients share a unified ethos—that history, when cared for, can become the stage for what comes next.

"It's an honor for Gunster to invest in the restoration and reopening of the iconic Royal Poinciana Playhouse in its new era as GLAZER HALL. As a career highlight for those of us who worked on the project, we're proud to partner in preserving this part of Palm Beach history and stewarding the cultural legacy of the playhouse for generations to come." — James M. Crowley, shareholder at Gunster

"We are thrilled to welcome Gunster as a contributor to GLAZER HALL. Their Centennial year marks a moment of transformation that mirrors GLAZER HALL's own, as we prepare to reopen the doors of the Playhouse. Gunster has long been a trusted institution, a dedicated community partner, and a true friend to Palm Beach. Avie and I are very grateful to Bill Perry, Jamie Crowley, and the entire Gunster team." —Jill Glazer President and Founder GLAZER HALL
