DONOR SPOTLIGHT: RENAY AND BILL MEYER

Renay and Bill Meyer knew early on that GLAZER HALL would be something special. They wanted to be a part of the revitalization of the performing arts on the island of Palm Beach. Their support of GLAZER HALL and the restoration of the Royal Poinciana Playhouse reflect a belief that the venue will do more than host performances: it will create moments of wonder, inspire awe, and transform shared experiences into lasting memories. In recognition of their generous leadership, the Meyers' support will be honored with a permanent plaque within **GLAZER HALL**, marking their enduring role in shaping the Hall's future.

Bill has called Palm Beach home since 1978, and together he and Renay have long supported institutions that shape how communities gather and thrive. In addition to his role as Chairman of Meyer Jabara Hotels, Bill has decades of civic leadership, including Board Chair of the Quantum Foundation, Chairman Emeritus of the Kravis Center, Chairman of the Jewish Federation's Campaign for the Future and his board roles with United Way, the Community Foundation, JFK Medical Center, and Cox Science Center and Aquarium (CSCA). Renay brings her business experience to Palm Beach philanthropy through her LA-based media and marketing career at CBS and Salem Media Group. She has long supported non- profits such as the Hollywood Radio & Television Society, Advertising Industry Emergency Fund, Project Angel Food, and Meals on Wheels. Renay and Bill have twice co-chaired the Kravis Center gala and were Honorary Chairs at the 2025 Historical Society of Palm Beach's gala.
