ON THE SCENE
**GLAZER
HALL's
Inaugural
Gala**

GLAZER HALL lit up Palm Beach this spring with its Inaugural Gala, celebrating arts and culture and welcoming nearly 400 guests. Opening the evening with a cocktail hour, guests were invited to bid in a silent auction featuring luxury items, as well as signed guitars from Judy Collins and The Marshall Tucker Band. Guests in attendance dined on a Michelin-starred meal, presented by GLAZER HALL's very own Daniel DiStefano. The night came to a close with performances by GRAMMY Award-winning singer Sheryl Crow. The evening welcomed a night of music and cultural celebration in what was formerly the Royal Poinciana Playhouse. This not-for-profit is now a coveted theatre and cultural center on the water. Contributing sponsors included Megan and Sean O'Hara, Laura Sachs Family Foundation and Joanna Plafsky.
