A MESSAGE FROM OUR FOUNDERS

Dear Friends,

Welcome to GLAZER HALL – Palm Beach’s premier waterfront, world-class, 501(c)(3) nonprofit performing arts venue!

What began as our dream in 2019 is now a reality. We are profoundly grateful for the remarkable support and encouragement we’ve received from the residents of Palm Beach and surrounding areas. We truly could not have done it without you.

Originally designed as the Royal Poinciana Playhouse in 1958 by renowned architect John Volk, this iconic site has been transformed into a 27,000-square-foot, world-class waterfront venue featuring a 400-seat, state-of-the-art theater. But GLAZER HALL is more than a building, it’s a space for creativity, connection, and cultural celebration that inspires audiences of all ages and strengthens our shared humanity through the arts.

Every detail – from the architecture to the acoustics – was crafted to provide an exceptional experience. We’ve created a venue that will endure for generations; a place where your children can see their first live performance by day, and you can be entertained by night.

GLAZER HALL stands as a community asset, reflecting the vibrant cultural and philanthropic spirit that defines Palm Beach. To all who have shared this vision with such generosity, we thank you. Together, we are building a true home for all.

EXPECT THE UNEXPECTED.

With gratitude,

A handwritten signature in blue ink that reads "Jill & Avie".

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

As we proudly launch our debut season, we are thrilled to welcome the community inside a long-awaited cultural landmark – GLAZER HALL.

Dormant for more than 25 years, this historic theater has been reimagined as a vibrant, nonprofit arts destination inspired by longtime Palm Beach residents, Jill and Avie Glazer. Their vision of a dynamic space where artistic expression flourishes, imagination is sparked, and community is strengthened, is now a living reality.

Thanks to the extraordinary generosity of Jill and Avie, along with the broader community, GLAZER HALL has opened its doors and begun an exciting, new chapter for arts and culture in Palm Beach. As a nonprofit organization, our mission is rooted in access, education, and meaningful community impact. We are already seeing that mission come to life through performances and events featuring music, dance, film, theater, distinguished speakers, and more, throughout our debut season.

We are incredibly grateful to all our donors whose generosity has helped us present world-class artists, expand educational programming, and create enriching experiences for audiences of all ages.

In addition, our members, sponsors, and those who have purchased seat plaques, as well as those generous patrons with namings throughout the venue, have all been an integral part of allowing us to showcase diverse artistic expression and provide a welcoming place to gather, connect, and reflect.

We are deeply grateful for the community's belief in the power of the arts and in the mission of GLAZER HALL. Together, we will continue raising the curtain on bold programming and unforgettable moments – this season, and for years to come.

Together, we can **EXPECT THE UNEXPECTED.**

Sincerely,
